CERTIFICATE OF AUDIT

This is to certify that I have audited the accounts and records of the Town of Sharon for the year ended December 31, 1953, except for the records of the Trustee of Trust Funds, who is absent on military service until April, 1954. A clerical error in the Town Clerk's account resulted in a shortage of \$3.00, which has been remitted to the Town Treasurer. The Tax Collector over-remitted to the Town Treasurer by \$1.25.

The exhibits included herewith reflect the true financial condition of the Town, together with the results of operations for the year ended December 31, 1953.

Respectfully submitted,
 JOHN MILTON STREET
 Auditor, Town of Sharon

B. NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the Signal 22 on the Peterborough fire alarm system at 7:30 A. M., and by having it announced over Radio Station WBZ at the same time approximately. When the No-School Signal is given, it means that there will be no school all day. If on a day when the weather looks so bad that one suspects there will be no school and by 7:30 has not heard the no-school whistle nor the no-school announcement on the radio, one can find out if there is to be no school by asking the telephone operator.
